Luxury cinema celebrates grand opening

Credit: Kelley Hagen

On Thursday, September 22, 2011, Atlantans got to experience the big silver screen in a new way as CineBistro opened in the city's stylish Brookhaven neighborhood. CineBistro is the kind of magical world you hope to escape to when you go to the movies. With films, food and libations all under one roof, CineBistro has an upscale twist that makes it totally date worthy.

We got a sneak peek at the grand opening event with Atlanta VIPs. Guests sipped on movie-themed cocktails such as the Alice's Wonderland, nibbled on popcorn shrimp and lounged in ultra-plush theater seats that are perfect for cuddling. This preview event also provided a blast from the past with Lucille Ball, Marilyn Monroe and Clark Gable impersonators mingling among the guests.
